PANDANUS RESORT

A Peaceful Resort on a White Sand Beach

Pandanus Resort is a four-star accommodation in Mui Ne, Vietnam, constructed within a lush tropical garden with coconut palms, colourful flora, water lily ponds, lakes with lotus and an abundance of vibrant pink bougainvillea. The resort was designed and then constructed in the style of ancient Champa, with descending water-lily ponds, Cham sculptures, high wooden ceilings, reddish brown terracotta bricks and unique reliefs of Cham life. These elements join together to create a peaceful milieu for guests to relax, rest and discover local cultural and historical relics, plus partake in the food and life of the local fishing community.

Open since 2004, Pandanus offers 257 rooms, two swimming pools, a meeting and event facility for up to 500 people and the only Premium All-inclusive programme in Vietnam, which includes unlimited food, drinks, spa treatments and the use of all facilities and services in the resort.

ACCOMMODATION

Pandanus Resort offers a range of accommodation options situated throughout our 10 hectares of gardens. It has a variety of accommodation types with views of the ocean, pools and garden. These large and well-equipped rooms, suites and bungalows promise to provide all the comforts of home.
